nehme ich sehr gerne entgegen.

A whimsical scene featuring a chocolate river. In the center, a large, pink watermelon-shaped cake with black seeds and a red cherry on top floats on the surface. The river is filled with various other cakes and pastries, including cupcakes with pink frosting and red cherries, blue frosting with black seeds, and white frosting. The background is a bright blue sky with white clouds and a rainbow. The text "1x Backen" is written in white on the chocolate river.
